RE: Formal Application for Tariff Revisions & to increase certain non-recurring charges.

This is an application to revise certain non-recurring charges for the Buffalo Trail Water Association. Attached is the non-recurring charge cost justifications and the proposed new tariff.

Buffalo Trail Water Association is not requesting a water rate increase at this time. However, increased costs attributable to certain non-recurring charges can no longer be absorbed by the Association. The customers affected by these increases will be the customers that cause the Association to incur these additional expenses.

The additional revenue generated from the proposed tariff revisions does not exceed by five (5) percent the total revenues provided by all miscellaneous and nonrecurring charges for a recent twelve (12) month period.

The Association has previously filed income statements and balance sheets with the Public Service Commission. These income statements and balance sheets are currently on file with the Commission.

The Association will publish the enclosed public notice of these requested rate revisions in the local newspaper for three consecutive weeks. The first notice has already been published and the newspaper ad is enclosed. We will follow up with a filing of the second and third newspaper ads along with an affidavit from the newspaper verifying that the notice was published for three consecutive weeks.

A copy of this application and related filings has been sent to the Office of the Attorney General, State Capitol Building, Suite 118, Frankfort, KY 40601.

Very truly yours,

William L. Clay
